GC-1501

Notebook Carry Bag Classic

The new Briefcase from Genius is a carry bag that combines style and simplicity. The GC-1501 is designed for a range of laptops with screens up to 15.6" in size; including models that use an extended battery. The padded compartment is lined with scratch-resistant material and will keep your laptop protected on all sides.

The GC-1501 briefcase is made of 600D polyester and features a large front pocket with compartments for business cards and pens and space to hold larger accessories like a charger or storage drive. This dedicated compartment with reinforced backing is ideal to separate your files and keep them looking crisp. GC-1501 is the perfect partner for your laptop on the go.

For more information about the Carry bag, just ask your salesperson.
